Facial Treatments

LET THE BEAUTY OF NATURE REFLECT ITS GLOW ON YOUR FACE.

Gold Facial Treatment.....30 min / €90

An ingredient rumored to be used in Cleopatra's skincare routine, gold is revitalizing and clarifying. Known for its antioxidant and anti-inflammatory properties, the precious metal strengthens elastin, fights free radicals and stimulates blood flow for a firm, even, and radiant complexion.

Diamond Facial Treatment30 min / €80

"Diamond Mask" - this procedure provides the effect of radiance, tightening, moisturizing and rejuvenation. During therapy, natural regulation of the processes of preserving youth occurs using the mechanism of "self-cleaning" of cells.

Volcanic Facial Treatment30 min / €80

As an exfoliant and purifier, volcanic ash pulls toxins from deep within the skin and removes dead skin cells. One of the best ways to enjoy the benefits of volcanic ash is through a mask. Pili Ani's Deep Detox Volcanic Exfoliating Mask is the perfect way to indulge your skin with all the benefits of volcanic ash.

**All treatments include skin cleansing, exfoliating, serum, facial massage, mask and cream according to skin type.*

Body Massage

ALLOW YOUR THERAPIST TO TAILOR YOUR MASSAGE TO YOUR BODY'S NEEDS.

Couple Massage 60 min / €190 | 90 min / €250

Couple massage is a combination of techniques and methods of rubbing and relaxing the body, which harmonize and fill energy flows, purify thoughts, relieve tension and stress. Simultaneous treatment for both of you. Quiet hall, twilight, light music and pleasant aromas give it a special charm.

Relaxation Massage 60 min / €80 | 90 min / €110

The traditional type of massage that serves the physical and mental tension reduction, strength resumption, forthcoming of easiness feeling.

Deep Tissue Massage..... 60 min / €110 | 90 min / €150

Deep tissue massages are used to break up scar tissue and break down muscle adhesions (the "knots" that we feel in our muscles are muscle adhesions, which are bands of rigid and painful muscle tissue).

Sport Massage 60 min / €110 | 90 min / €150

Sports massage is a type of mechanical effect on the muscles, bones and joints of a person who is actively involved in sports in order to improve his physical capabilities and prepare him for great physical exertion.

Therapeutic Massage60 min / €110 | 90 min / €150

Therapeutic massage is a mobilisation of the soft tissues in order to induce relaxation. Therapeutic massage uses a combination of specific massage techniques to produce a therapeutic effect.

Aromatherapy Massage60 min / €95 | 90 min / €125

Thanks to the pleasant smells of essential oils, you enjoy and relax not only the physical, but also the mental body. Smells often change our mood and help fight depression.

Traditional Olive Oil Massage (full body).....60 min / €95 | 90 min / €125

Try a unique source of relaxation and indulge yourself with the most powerful and natural products. The relaxing full body movements create a feeling of supreme serenity and softness. The vitamin E included will protect, nourish and completely moisturize your skin.

Cupping Therapy.....60 min / €110 | 90 min / €150

Suction from cupping draws fluid into the treated area. This suction force expands and breaks open tiny blood vessels (capillaries) under your skin. Your body replenishes the cupped areas with healthier blood flow

4 Hands Massage.....60 min / €230 | 90 min / €300

Massage in 4 hands is - the manipulations of two masseurs are coordinated with each other, and not chaotic. It improves the general condition of the body, has a positive effect on the lymphatic system, improves blood circulation and the outflow of excess moisture

Swedish Massage.....60 min / €95 | 90 min / €125

The Swedish massage is one of the most common types of massages you can get. It is performed to energize the body and improve overall health. This type of massage involves actions like percussion, kneading, vibration, tapping and rolling. Massage oil or lotion is used to protect the skin from friction.
